Maloka Ventures delivers industrial laundry solutions, janitorial services, and facilities and building maintenance with a focus on reliability, compliance, and consistent quality. We provide services to government agencies, small businesses, and corporate partners, ensuring every project meets contractual requirements and exceeds client expectations. Our operations are built on clear communication, meticulous attention to detail, and a steadfast commitment to precise, standards-driven execution. As a certified Minority and Woman-Owned Business Enterprise (M/WBE) in New York City, Maloka Ventures brings both proven capability and trusted performance to every engagement, fostering strong partnerships and long-term client satisfaction.

CORE COMPETENCIES

Industrial Laundry Solutions

- Large-scale laundering, pressing, and folding for uniforms, linens, and specialty textiles.
- Strict hygiene and handling compliance with accurate inventory tracking.
- Coordinated pickup, delivery, and rapid turnaround scheduling.

Janitorial Services

- Comprehensive cleaning programs for diverse facilities.
- Eco-friendly, OSHA-compliant products and specialized sanitation.
- Consistent site supervision to ensure cleanliness and compliance.

Facilities & Building Maintenance

- Preventive and routine maintenance for buildings and infrastructure.
- Oversight of subcontracted trades to meet timelines and standards.
- Facility inspections, reporting, and rapid response repairs.

DIFFERENTIATORS

- 17 Years of Management Expertise – Proven track record overseeing large-scale operations with precision, efficiency, and client satisfaction.
- Owner-Led Oversight – Every contract is personally managed by the owner to ensure schedules, quality, and compliance are met without exception.
- Flexible & Responsive Service – Ability to quickly mobilize resources and adapt to changing client or project requirements.
- Standards-Driven Operations – Commitment to consistent, compliance-based service delivery across all contracts.
- Strong Vendor & Partner Network – Established relationships with trusted subcontractors and suppliers to ensure dependable, high-quality outcomes.
